Dear FA Industrial Services Inc.,

On behalf of the Copper Country Humane Society, I would like to thank you for working with CCHS and enclosing the back canine condo area. It has been a great improvement to the shelter, and has made cleaning and caring for the dogs so much easier. The project exceeded our expectations. The harsh winter months will no longer be a challenge for our staff and volunteers. All the work you have done for CCHS has been great. Thank you!

We appreciate all you did to help keep the project within our budget and for being part of a caring community that helps animals.

Best Regards,

*LeRita Allert
